

Report to AGM 2017

League

65 teams entered (68 last year)

I placed them as follows:

11 in Div 1-3

However Divisions 2 & 3 came down to 10 teams due to 1 team in each division withdrawing – one team after playing 2-3 matches.

9 in Div 5 & 6

7 in Div 7

All matches save one were completed on schedule, by the end of April.

One team was granted a one week's extension owing to the serious illness of the captain (now happily on the road to recovery)

Cup

46 teams entered including 5 teams free from Division 6 and 5 teams free from Division 7

The Cup & Plate final took place at the end of April

10 teams in the Cup final

9 teams in the Plate final

The online booking form is invaluable for entries and great for checking back

Everyone seems accustomed now to entering their League results online.

Jeff Smith is prepared to help with using the EBU program for the Cup next year which will then be fully automated up to the finals.

Thanks to him also for helping update the rules for the League & Cup
